PROJECTS / OPEN-SOURCE

EPIC GAMES | Link   *HTML CSS JAVASCRIPT*

A real time Gaming Website

Gaming is really a workout for your mind disguised as fun. Studies have shown that playing video games regularly may increase gray matter in the brain and boost brain connectivity.

WEATHER APP | Link   *OPENAPI UI/UX HTML CSS JAVASCIPT*

A real time weather app to track accurate weather

The weather app displays current weather. conditions for a specified location, including temperature, humidity, wind speed, and weather conditions.

SPOTIFY | Link   *HTML CSS JAVASCRIPT*

As a part of learning to Code, I completed a project that involved creating a basic Spotify Clone

This project was design to showcase my skills in Front End Web Development

PORTFOLIO | Link   *HTML CSS JAVASCRIPT*

A personal portfolio website serves as an online resume and portfolio, allowing you to see my work, skills, and experience.
